

## Presentations of Learning: Virtual Internship

### Planning for your presentation:

- 1) Your presentation should be 8-12 minutes and you should expect 3-5 minutes of follow up questions.
- 2) Graded on the rubric: <https://tinyurl.com/law523m>
- 3) May 1 or May 4, exact day/time will be released this week

<b>Driving questions that you should answer</b>	<b>Your Notes</b>
<p><i>Describe your internship. How did your mentor's interests correlate with yours? What strengths and growth areas did you work, on and why? How did you handle the challenges you faced?</i></p> <p style="text-align: center;"><i>2-3 minutes</i></p>	
<p><i>What is your "product"/what did you create? Why is your product significant? Why should people care about your area of work? Discuss.</i></p> <p style="text-align: center;"><i>3-4 minutes</i></p>	
<p><i>In what ways did you grow as a professional through this internship? How will this learning impact you and your future? What did you expect to learn before you started, and how did that compare with what you actually learned? What could you have done better throughout the virtual internship process?</i></p> <p style="text-align: center;"><i>3-4 minutes</i></p>
